

Good morning Elm Class, 18.2.22

I hope that you are keeping safe on this very windy Friday!

Please feel free to complete the following work for today:

Handwriting

Please practise v and w using cursive writing. Can you think of words with these letters in? Have a go at your own sentences containing words with these sounds.

Phonics

Today, I would like you to write words containing the 'ur' sound. Can you think of words that have the sound at the front and middle? Please read a book of your choice and spot the sound whilst reading.

PE

Please ask an adult to access Youtube and complete a Joe Wick's Kids Workout. You will find sessions of various lengths. Please try for a 20 minute workout session.

Maths

In class, we have been working on addition and subtraction. Please complete an addition or subtraction lesson on IXL. If you have any problems accessing IXL, please ask an adult to set you some addition and subtraction problems to solve.

Music

Please design a CD cover for your favourite band and listen to one of their songs. Good luck Miss Long
