## Year 6 SATs tests

As you may be aware, our year 6 children have been concentrating on their SATs tests this week, we have been very impressed with their diligence, focus and great attitude to these tests. Each morning they have been coming into school and enjoying breakfast (supplied by the PTFA). On Friday morning they had a special treat of a cooked breakfast, well done year 6 for all your hard work you can now enjoy a restful weekend.

Well done also, to our PTFA team who gave up their valuable time again to support the children.

Finally, a big thank you to the **Purbeck Shooting School** for generously donating the bacon and sausages for the breakfasts.
