Dear Parents/Carers

A fantastic end to this half term with the glorious sunshine. As a staff team we are incredibly proud of all that the children have achieved. Their behaviour was impeccable at the May Procession this week. (See photos). We also hope you have enjoyed the Parents Assemblies that have taken place this term, the children are proud of their learning. We've had super "Go for it Gorilla" attitudes as it takes a lot of confidence to speak in front of their peers and Parents. The remaining classes have dates confirmed for Summer 2. It's been great to have After Schools Clubs led by the staff, the children have thoroughly enjoyed the experiences.

Enjoy a lovely half term and thank you for your continued support.
