11th November 2022

Dear Parents

Another week has flown by, it was so lovely to welcome some of you to the whole school assembly on Wednesday. I am sure you will agree the Reception children reciting their fire work poem was lovely.

We need committed Catholics to become foundation governors in our school.

- We want the Diocese to have a community of outstanding schools in which our pupils flourish in safe, happy and stimulating environments, so they leave us with the knowledge and skills, personal qualities and aspirations, to make the world a better place, inspired by the Gospel.
- You could make a huge difference in our Diocese. Your faith and encouragement could help the school community to develop their Catholic identity, keep our children and staff safe and help them in their commitment to the vision of Pope Francis who said, 'Only by changing education can we change the world.'
- A background in education or safeguarding would be desirable but no experience is totally necessary – your passion, faith and commitment is what is really needed as lots of friendly advice and training will be given.

As today is the 11th November, and on this weekend it is Remembrance Sunday we have been making Poppies and wreaths in school. We have also held a Remembrance assembly, to remember all those that defended our freedoms and protected our way of life.

In Sycamore class

As part of our geography learning about the United Kingdom, we will be celebrating the saints' days for each of the four nations.

St Andrew's day (the patron saint of Scotland) is celebrated on the 30th of November and the children will be learning about St Andrew himself as well as about Scotland.

With this in mind, we would love to hear from you if you know anybody who could provide a Scottish dancing workshop or demonstration, or can play the bagpipes to a high standard.

If you can help, please get in touch with Mrs Quinn via the school office office@smsjwool.dorset.sch.uk
