

# Maple Class

## Summer Term 2021

### Welcome Back!

I hope you all had a lovely Easter break. It was lovely to welcome the children back on Monday and to see how happy they were to be back with all their friends! The attached document outlines our learning for this half term. It is a great topic for getting the children outdoors in the fresh air!

#### Reading

I am so impressed with the super progress the children are making in their phonics and reading. Please continue to try and set aside 10-15 minutes at the end of each day to hear your child read and practise their Super Sounding Out books.

The daily practice and repetition makes all the difference to their learning and their confidence.

#### Tricky Words

These are the tricky words your child should be able to read by sight now:

**I the to no go he she we me be was my you they her all are.**

If you find there are any they are still unsure of please add revision of these words to your daily reading.

#### Maths Home Challenges

From this week I will be sending home some weekly Maths challenges for you to complete at home. There will be several suggestions on the sheet. Please try to complete at least ONE every week but obviously you can do as many as you like! Many of the challenges will be practical so please upload any photos of your child completing these tasks onto Tapestry.

#### RE

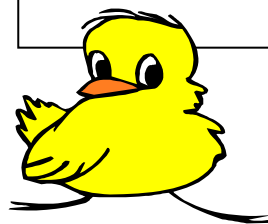

We begin the Summer term by celebrating Easter. We are learning

- that spring is a time when things begin to grow.
- the ways in which we can grow in love to be more like Jesus.
- about Easter Sunday when God his Father gave Jesus new life and he rose from the dead

Our next topic will be 'Good News.'

We will be learning

- That everyone has good news to share.
- The happiness good news brings.
- The stories of Easter and Pentecost - Jesus sending his friend the Holy Spirit.
- Pentecost celebrates the Good News of Jesus.
