31st March 2023

Dear Parents

The end of another busy term has arrived. The sun is shining & I hope the weather is kind to us over the Easter holidays. The children have worked incredibly hard this term & we are delighted to have some of their work displayed around the school, the children are very proud.

It was great to have parents join us for the Year 2 & 6 parent assemblies & we look forward to seeing more families attend class assemblies before the end of the school year.

Last week Oak class had an amazing time at New Barn and despite the weather forecast, the children managed to complete all the planned activities and were a credit to our school.

Below are a few highlights of their experience

We are pleased to announce the unveiling of our new room of Joy, which has been created to allow children more space for nurture and to think about how to deal with situations they are experiencing.

We have had some reports from parents regarding head lice in school

Can you take some time over the Easter break to check your child's hair for head lice and complete a treatment if required as per the link below.
