Dear Parents/ Carers,

Here is further clarification on the latest Government update:

Easing of Some Lockdown Regulations

The 2m social distancing rule remains in place across all of our schools and business units.

*the Prime Minister stated that **where it is not possible** to stay two metres apart, guidance will allow people to keep a social distance of 'one metre plus'. This means staying one metre apart, **plus mitigations** which reduce the risk of transmission. **THIS DOES NOT CURRENTLY APPLY TO OUR SCHOOLS AND BUSINESS UNITS***

Once we are clear about the government's expectations of schools in terms of control measures for re-opening in September, we will consider the social distancing requirements alongside our wider planning and risk assessment processes.

Keep safe and well everyone,
Mrs Christopher
