

What a windy day!!....

Here is the home learning tasks for today:

- 1) Spelling test. Get someone at home to test you on your spellings for this week. Please could you jot down your score in your reading record so I can make a note of them after half term.
- 2) IXL - Complete at least one IXL activity. Preferably one which I have recommended for you.
- 3) Information poster / PowerPoint / booklet about how we can use the wind to our advantage. How is it helpful? What would we be unable to do without it? You can display your thoughts however you like. If you make a PowerPoint, then email it to me and we can have a look as a class after half term.
(e.England@smsjwool.dorset.sch.uk).
