

Geography

The children will be looking at our school and the local area. They will be able to name and locate the 4 countries in the UK as well as locating Wool on a map. They will learn what an address is and how to give directions. They will also be looking at land use in our school, as well as discussing the human and physical features in our school

READING

There will be daily phonics and guided reading in the class.

WRITING

The children will be looking at a non-fiction report text and will learn about the different features before having a go at writing their own report independently. They will also continue looking at narrative writing.

RHE

To know that it is natural to trust one another. To know simple strategies for managing feelings and maintaining good behaviour. To know that Jesus died on the cross so that we would be forgiven. To know there are natural life cycles from birth to death.

MUSIC

To know 5 songs off by heart. To learn the names of the instruments they are playing. To know that improvisation is making up your own tunes on the spot.

PE

The children will be having a sports coach in to teach them a variety of ball skills.

Gymnastics.

The children will perform a variety of basic gymnastic actions, whilst showing control. They will perform longer movement phrases and link these with confidence.

Y 1 'Our School'

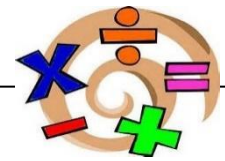

Geography led topic – Spring term 1 2023.

SCIENCE

To identify and name different materials. To know materials are used to make objects around us. To be able to describe properties of everyday materials. To know that we can use our sense of touch to describe materials. To know when we talk about how an object feels, we are describing its texture. To know what makes a good insulator and conduct an experiment to test this.

MATHS

Numbers to 20, addition within 20, numbers to 50, length and height, weight and volume.

RE

Know and understand that there are special people in our lives.

That on a Sunday in church we meet people who do special jobs as we gather to celebrate.

To know about the parish family.

To know that families and groups share special meals.

ART

The children will learn about the artist James Rizzi, and his style of art. They will know that the primary colours are red, yellow and blue and other colours are made by mixing these together. The children will learn and use simple artistic vocabulary. They will create their own piece of art work in the style of James Rizzi.
